Die cuts:

<https://www.scrapbook.com/store/sbc-bigshotbundlecircles.html>

Magnetic base for die cuts.

<https://www.scrapbook.com/store/sz-656499.html>

One of the dies I like.

Dyes:

<https://www.woodturnerscatalog.com/p/148/6187/artisan-Premium-Coloring-Dye?term=dyes&term=dyes#ReviewsPanel>

I use the Artisan colors for everything but black as they tend to plug my airbrush. Due to the heavy black color. For black I use the Chestnut spirit stains.

<https://www.woodturnerscatalog.com/p/148/6338/chestnut-Spirit-Stain?termdyes&term=dyes>

For the edge of the turning I use black Tombow markers.

<https://www.woodturnerscatalog.com/p/148/4186/tombow-Dual-Brush-Coloring-Pen?term=dyes&term=dyes>

One other fun thing is a "Poormans air brush. I use this when I want to add a lot of color quickly. Not over stencils!

https://www.amazon.com/Richeson-Atomizer/dp/B0069F4OU2/ref=sr_1_2?crd=6JWAWWAAD0B9&keywords=richeson+atomizer&qid=1707864205&srefix=richeson+a%2Caps%2C772&sr=8-2

Don't forget your gloves.
